# PRAIRIES RURAL OPPORTUNITIES FUND 2.0

## PROJECT APPLICATION PROCESS & METHODOLOGY

### Process & Methodology:

The goal of the Prairies Rural Opportunities Fund (ROF 2.0) is to support Prairies Economic Development Canada's (PrairiesCan) Community Futures organizations to:

- Assist with the development of innovative business strategies
- build business and community capacity through partnerships
- devise solutions to assist rural communities face the challenges posed by an aging population and the closure of major local employers
- promote and assist with the development and adoption of advanced technologies
- offer specialized training that will enable businesses to reach their goals, and
- facilitate the transition of rural small businesses

Funded initiatives are expected to promote, support and/or facilitate sector development and the building of greater capacity in rural communities and small businesses, including startups, existing businesses, young entrepreneurs, women entrepreneurs, Indigenous entrepreneurs, new Canadians, and co-operatives. It is also anticipated that ROF 2.0 funded initiatives will help generate new business opportunities, and include the engagement of other community partners.

ROF 2.0 initiatives should strongly align with the mandate and strategic priorities of PrairiesCan, as well as with the mandate of the Community Futures Program to support Community Economic Development (CED) and build the self-reliance and capacity of communities to realize their full sustainable potential.

The objectives of the Community Futures Program in support of this mandate include fostering economic stability, growth, and job creation; helping to create diversified and competitive local rural economies; and helping to build economically sustainable communities.

Community Futures Pan West Network invites PrairiesCan Community Futures organizations (CF) to apply for funding support under the ROF 2.0 project.

Depending on the volume of applications received, funding requested in an application may not be the amount approved.

Preference will be given to applications demonstrating the following criteria:

- Benefit multiple CF organizations or be easily replicated by other CF's
- Not duplicate existing supports or initiatives
- Propose measurable impacts/benefits aligned with project indicators

Preference will also be given to projects that:

- Involve multiple CF organizations
- Engage and leverage supports from other community or service delivery partners
- Support service delivery to federal government target client groups such as women, Indigenous people, youth, new Canadians, or persons with disabilities

Approved applications will be eligible for an advance of funds, based on approved project cash flow.

All approved ROF 2.0 funding must be spent by March 31, 2026 or as specified in the Prairies Rural Opportunities Fund 2.0 Project Agreement. **There will not be any extensions past this date.**

Projects can be multi-year but must be completed by the deadline as listed in the Rural Opportunities Fund Project 2.0 Project Agreement.

## **Eligible Recipients:**

The following entities are eligible to receive ROF 2.0 funding:

- Community Futures organizations in the provinces of Alberta, Manitoba and Saskatchewan
